

Faculty Development Plan The Art Institute of California—San Francisco

Faculty Name: _____ *Your Name* _____ Primary Department: _____ *Your Department* _____

Start of Plan Date: _____ *Hire Date* _____ End of Plan Date: _____ *One Year Later* _____

Please list 2-3 pedagogical or classroom goals

For first quarter instructors, reflect on what you would like to do to tackle teaching this/these courses for the first time.

For continuing instructors, reflect back on:

- *your IDEA scores from the previous quarter(s)*
- *Observation(s)*
- *discussions with academic department related to course outcomes*
- *PPAR instructional plans*
- *Faculty Development recommendations*

Please list 2-3 classes, lectures, or workshops you plan to observe, attend, or participate in this year

ALL INSTRUCTORS: there are Ai Faculty Development opportunities available each quarter that you can list, along with any additional off campus activities related directly to your speciality that will assist you in obtaining the above goals. Be sure to connect with your Academic Director and Faculty Development Director.

For continuing instructors, reflect back on the following as they may aid in the choices of development you pursue for the upcoming year:

- *your IDEA scores from the previous quarter(s)*
- *Observation(s)*
- *discussions with academic department related to course outcomes*
- *PPAR instructional plans*
- *Faculty Development recommendations*

Please list 1-3 conventions or educational meetings you plan to attend this year

ALL INSTRUCTORS: Talk with your Academic Director and Faculty Development director about getting passes for certain conferences related to your field.

Please list 1-3 organizations you plan to join or maintain membership in this year

ALL INSTRUCTORS: Talk with your Academic Director and Faculty Development director about possible reimbursement for fees related to memberships.

Please list 1-3 schools, museums, galleries, or potential employers of students you will visit this year.

ALL INSTRUCTORS: Talk with your Academic Director about visits that may enhance your teaching or current curriculum. Also, be sure to talk with Career Services about employers you have made connections with as they assist all students with internships, entry level positions and part-time employment.
